Increased productivity

While you will certainly be attending conference in order to learn, a short work trip away from the office will re-energize you and allow you to work better when you return.

It will be inspiring

A balanced mixture of participants and speakers working in programming, design, marketing and business development. Find partners, colleagues or ideas to develop.

Upgrade your team experience.

We offer you some more perks to help you achieve your goals.

Not only will we make sure that your team will have quality time, but we would like to help you succeed.

Present yourself as an innovative company in front of our expert audience.

Look at the perks you could get together with purchasing seats.

If you wish to see our **full sponsorship packages**, please visit our GitHub from here:
